

Dear friends, Humanity is at a point in its existence where forces that are not of the light are attempting to take control of the Planet and plunge us into a time of war and further suppression of it's people. We are urgently asked to focus our thoughts in a global meditation or prayer for the good of all of Humanity and the Planet on 25 th of March.

We would invite you to take part with the following suggested meditation. You may of course use your own format in keeping with your own methods of prayer or meditation or beliefs. The importance is in the strength of your intent and visualization. Please know that linked as a group, your meditation is very powerful, creative and real.

Firstly recognize that all of Humanity is linked by our Heart energy. Take a moment to visualize this link and have the intent of the Will to do Good and that we are all One.

### **GROUP FUSION AFFIRMATION**

WE AFFIRM THE FACT OF GROUP FUSION AND INTEGRATION WITHIN  
THE HEART CENTRE OF THE NEW GROUP OF WORLD SERVERS,  
MEDIATING BETWEEN HIERARCHY AND HUMANITY.

I AM ONE WITH MY GROUP BROTHERS, AND ALL THAT I HAVE IS  
THEIRS.

IN THE CENTRE OF ALL LOVE I STAND.  
FROM THAT CENTRE I, THE SOUL, WILL OUTWARD MOVE.  
FROM THAT CENTRE I, THE ONE WHO SERVES, WILL WORK.

MAY THE LOVE OF THE DIVINE SELF BE SHARED ABROAD, IN MY HEART,  
THROUGH MY GROUP, AND THROUGHOUT THE WORLD.

Take a few moments to see and feel this link between all of our brothers and sisters, regardless of religion, Race or Gender.

Again, we invite you to visualize a Higher Creator Being or God according to your belief. Acknowledge His/Her existence and to request assistance in this meditation for the betterment of all of Humanity and the Planet and to anchor the Light and Love of the Creator on Earth.

Group Visualization.

FROM THE GROUP HEART OF HUMANITY, WE SEND FORTH A CLARION CALL TO THE CREATOR / GOD, FOR AN OUT POURING OF LOVE AND LIGHT, IN ORDER THAT THE AWARENESS OF HUMANITY AND THE VIBRATION OF THE PLANET MAY BE RAISED.

WE ASK THAT THIS LIGHT AND LOVE BE ANCHORED WITHIN OUR HEARTS AND IN THE PLANET. WE ASK THAT ALL DARKNESS BE REMOVED AND THAT ALL BEINGS MAY LIVE IN PEACE AND LOVE.

WE ASK THAT ALL THAT HAS BEEN HIDDEN FROM US MAY BE REVEALED AND THAT DISCLOSURE MAY OCCUR.

WE GIVE OUR HEARTFELT THANKS AND GRATITUDE.

Take a few moments to visualize a beam of Lighted energy descending upon the center of Rome and being anchored there. See this powerful white/golden Light expand to dispel all darkness and to encompass the eight Obelisks around Rome. At this point the obelisks begin to resonate with the Light and be aware that these are placed where the Energy or Lay lines cross and converge and are some time known as power points or nodes.

Know too that these Lay Lines expand outwards across Europe and beyond to encompass the Earth. They are linked to other Obelisks and power points through out the world. This lattice work of energy lay lines may be seen as the 'Flower of Life' and it is indeed the vital energy pathways that sustain the Planet and Humanity.

See the Lighted Energy expand again, like the flood gates being opened to flood the Lay lines around the world with Light. See the Ancient Sacred sites in your countries being empowered and energized. Where there have been blockages placed on the Lay lines, see them swept away. Where the energy has been stagnated, see it being revitalized.

Global Meditation for Humanity to focus on Rome.

Where darkness prevails, see it being lit. Where there has been pain or suffering as a result of war, see Peace, Love and Forgiveness.

As the whole planet begins to become brighter and resonate with the Light of the Creator, see this as a period of Disclosure for all that has been hidden from us. Make the affirmation that as Humanity, we no longer chose to war on our neighbors, but that we accept all as our Brothers and Sisters and that we chose Peace. We acknowledge the hurt that we have caused to the Animal and Nature kingdoms and we seek now to live in Peace again.

Let LOVE, LIGHT and POWER descend upon the Earth.
